05:06 Email from Emil

06:12 "RE: Anydesk Usage at Cohda" Email from Venkata.

09:33 Replied to Venkat saying I would look into it.

Spoke with Suhant. These machines are Ubuntu machines.

12:18 Suhant sent email to Emil & Venkata with a copy of my "AnyDesk Client setup..." email sent 26/7/24

11:51 which details capturing the license keys and asked that they give us the license IDs of the machines.

15:24 Ticket created.

Suhant advised we was unable to get an Anydesk connections during a meeting with Dan Law last night. We looked at the connection logs & it appears Dan ws running a session. suggested to Suant that he puts together a bit of a business case for purchasing a second connection. About \$430USD pa.

Added "1on1" flag so it can be discussed with RG and set status to "WIP".

10:23 Emil from Suhan to Dan advising he has a production demo scheduled with Danlaw and will need the Andydesk connection.

22:23 Email from Suant to Dan asking if he can use the Anydesk connection.

Flagged 1on1 to discuss with Rhys at next 1on1.
