

Adelaide Gaol Ghost Tour

Discover the supernatural side of the Adelaide Gaol with a 2 hour ghost tour of the historic prison. As Australia's longest continuously operating prison, the who's who of the criminal underworld were incarcerated here, so it's no surprise that a few have left their ghostly presence to haunt the building.

Join us for a spooky and spine-tingling Saturday night's entertainment.

*Please wear sensible shoes, bring a jacket and a friend to hold your hand if you are easily scared.
